A Companion to Marx's Capital David Harvey

“My aim is to get you to read a book by Karl Marx called *Capital, Volume 1*, and to read it on Marx’s own terms...”

The biggest financial crisis since the Great Depression has generated a surge of interest in Marx’s work in the effort to understand the origins of our current predicament. For nearly forty years, David Harvey has written and lectured on *Capital*, becoming one of the world’s most foremost Marx scholars.

Based on his recent lectures, this current volume aims to bring this depth of learning to a broader audience, guiding first-time readers through a fascinating and deeply rewarding text. *A Companion to Marx’s Capital* offers fresh, original and sometimes critical interpretations of a book that changed the course of history and, as Harvey intimates, may do so again.
