So you're a Geek, huh? Do you think, because you're a Geek, the Universe (or at least your little corner of it) is conspiring against you, making sure you can't Get Laid as much as you want?

Unfortunately, many Geeks are forced to endure some form of socially-imposed celibacy. But now is the time for ALL Geeks to fight back against the selfish and arrogant Sexual bullies who seem to do everything they can to make sure we don't get the 'Happy Ending' we deserve! It's time for you to escape this "Sexual Phantom Zone"!

This book is a Geek's Guide to Get Laid! Dave Briner shows you how you can have Sex even if you're Fat, Ugly or Worse! It's a unique, yet educational, guide written specifically for Geeks...women and men of all shapes, sizes and Sexual orientations...who experience the world (and especially Sexual situations) in a non-traditional, intellectual and sometimes socially-awkward way.

Dave shares his personal triumphs (and even more failures) in a humorous, twisted, graphic and brutally honest way to identify realistic ways to Get Laid. He teaches you to find your "Sexual Superpowers" without completely changing your personality, lying about who you are, playing stupid mind games or wasting a bunch of your time.

(P.S. Even if you're a Geek who's fortunate enough to not need this book, chances are you can name at least five of your Geek friends who do! Why don't you buy each of them a copy?)
