Romance is in the air at Moonlight Square ~ Regency London's most exclusive address!

Jason Hawthorne, the Duke of Netherford, made it clear to the young, lovesick Felicity Carvel long ago that nothing could ever happen between them. He has earned his reputation as the Duke of Scandal--and she's his best friend's little sister. For honor's sake, he vows to stay away from the lovely innocent. But six years of the wealthy libertine's life have left Jason empty and jaded, while Felicity has blossomed into a strong, beautiful woman, ripe for love and marriage.

When a sudden windfall makes her one of the most sought-after heiresses in London, chased all over Town by fortune-hunters, Jason knows he must keep the rogues at bay until her brother returns from his dangerous mission abroad. Unfortunately, the scandalous attraction between them has only grown to a searing intensity. Deep down, Felicity still wants Jason for her own. But after getting her heart broken once before by Naughty Netherford, does she dare attempt to play with fire again--and this time, can Jason resist?
