Gateways to God: Celebrating the Sacraments Fr Robert J Hater
Grace for Daily Living

Theologian Fr. Robert Hater explores the manifold ways sacraments work as gateways that lead us to encounters with God. All creation is sacramental because it is a gateway that reveals God's presence in the universe. Jesus described Himself as the gate to salvation and eternal life. And the Church is the gateway to the kingdom of God and the sacraments, the seven gateways to life-giving grace.

Gateways to God especially explores the nature and meaning of sacraments. Using Scripture, history, and pastoral practice, it shows us how to approach the seven sacraments of the Church as gateways to divine life, how to receive them with expectant faith, and how to let them strengthen us for daily Christian living.
