Guppy Trading: Essential Methods for Modern Trading Daryl Guppy **A compilation of the very best of Daryl Guppy**

Daryl Guppy has been one of Australia's foremost experts on share trading and charting for almost 20 years. His first book, *Share Trading*, is still a must-read for people wanting to learn about the market and is widely accepted as the best-selling trading book ever in Australia.

Guppy Trading contains detailed analysis of many topics, including:

- making effective trades based on news events and informed trading
- advanced application of the Guppy Multiple Moving Average to assess the true strength of a trend
- how to establish and improve trade entry, exit and stop loss points in volatile markets
- effective trading of international markets
- safely integrating derivatives to boost portfolio returns.

Guppy Trading contains 23 of the most enduring and important chapters from Guppy's earlier books, completely revised, and combines them with 10 entirely new chapters. These new chapters detail new trading methods and instruments that have been developed to create additional opportunities and ensure survival in interconnected modern markets. This comprehensive compendium is critical reading for traders looking to maximise their returns.
