Lost in America: How You and Your Church Can Impact the World Next Door Tom Clegg, Warren Bird

Lost in America will motivate Christians, individually and in the church, to think and behave as missionaries right here in North America. The case is made that the church has become marginalized in our society and requires changes to make it relevant in reaching our highly relational, postmodern society. Lost in America helps Christians re- image their church as a mission station and shows them how they can meaningfully offer hope to the unchurched in America.
