Winston S. Churchill

Marlborough: His Life and Times, Volume IV (Winston Churchill's Marlborough Collection Book 4)
Winston S. Churchill

This is the final installment in Churchill's four-volume biography of John Churchill, the Duke of Marlborough—a famed military leader known for never having lost a military campaign. Despite his successes, Marlborough's later years were full of struggle—including attacks from political and personal enemies.

Winston Churchill vividly recounts the intrigues and challenges of his ancestor's highly eventful life. In this last volume, detailing the end of his career, Marlborough's story is told with sensitivity and nuance—giving the reader an intimate glimpse into his state of mind. It's a fascinating read for anyone interested in English history—and provides profound insights into leadership, loyalty, and personal conduct as valuable today as three centuries ago.

About the Author

Sir Winston S. Churchill was awarded the Nobel Prize in Literature in 1953 “for his mastery of historical and biographical description as well as for brilliant oratory in defending exalted human values.”

Over a 64-year span, Churchill published over 40 books, many multi-volume definitive accounts of historical events to which he was a witness and participant. All are beautifully written and as accessible and relevant today as when first published.

During his fifty-year political career, Churchill served twice as Prime Minister in addition to other prominent positions—including President of the Board of Trade, First Lord of the Admiralty, Chancellor of the Exchequer, and Home Secretary. In the 1930s, Churchill was one of the first to recognize the danger of the rising Nazi power in Germany and to campaign for rearmament in Britain. His leadership and inspired broadcasts and speeches during World War II helped strengthen British resistance to Adolf Hitler—and played an important part in the Allies' eventual triumph.

One of the most inspiring wartime leaders of modern history, Churchill was also an orator, a historian, a journalist, and an artist. All of these aspects of Churchill are fully represented in this collection of his works.
