[The Marriage Plot [THE MARRIAGE PLOT] By Eugenides, Jeffrey (Author)Oct-11-2011 Hardcover Jeffrey Eugenides

A National Book Critics Circle Award Finalist Named a Best Book of the Year by The New York Times Book Review • NPR • The New Republic • Salon • The Seattle Times • Houston Chronicle • The Miami Herald • Publisher's Weekly "Remind[s] us with uncommon understanding what it is to be young and idealistic, in pursuit of true love, and in love with books and ideas."-Michiko Kakutani, The New York Times "A grand romance in the Austen tradition."-USA Today Are the great love stories of the nineteenth century dead? Or can there be a new story, written for today and alive to the realities of feminism, sexual freedom, prenups, and divorce? It's the early 1980s. In American colleges, the wisened-up kids are inhaling Derrida and listening to Talking Heads. But Madeleine Hanna, dutiful English major, is writing her senior thesis on Jane Austen and George Eliot, purveyors of the marriage plot that lies at the heart of the greatest English novels. As Madeleine studies the age-old motivations of the human heart, real life, in the form of two very different guys, intervenes---the charismatic and intense Leonard Bankhead, and her old friend the mystically inclined Mitchell Grammaticus. As all three of them face life in the real world they will have to reevaluate everything they have learned. Jeffrey Eugenides creates a new kind of contemporary love story in "his most powerful novel yet" (Newsweek).
