Advancing the Culture of Teaching on Campus: How a Teaching Center Can Make a Difference

Advancing the Culture of Teaching on Campus: How a Teaching Center Can Make a Difference

"This book assists the reader in thinking more deeply about how to successfully navigate institutional organization, politics, and managing change at a campus where faculty have little discretionary time. The book also explains how the CRLT effectively manages the yearly changes of services based on institutional priorities. It is an excellent text for those considering entering a career in a teaching center."?Teachers College Record
