American Spring: Lexington, Concord, and the Road to Revolution

Walter R. Borneman

American Spring: Lexington, Concord, and the Road to Revolution Walter R. Borneman
A new look at the American Revolution's first weeks, from the author of the bestseller *The Admirals*.

When we look back on our nation's history, the American Revolution can feel almost like a foregone conclusion. In reality, the first weeks of the war were much more tenuous, and a fractured and ragtag group of colonial militias had to coalesce to have even the slimmest chance of toppling the mighty British Army.

Focusing on colorful heroes John Hancock, Samuel Adams, Mercy Otis Warren, Benjamin Franklin, and Patrick Henry, plus ordinary Americans caught up in the revolution, AMERICAN SPRING follows a fledgling nation from Paul Revere's little-known ride of December 1774 and the first shots fired on Lexington Green through the catastrophic Battle of Bunker Hill, culminating with a Virginian named George Washington taking command of colonial forces on July 3, 1775.
