Cause or Effect Ivan Huff

Do you believe that God causes tragedies in order to punish individuals, cities, or nations? How you answer this question determines what kind of relationship you have with God. Cause or Effect demonstrates that a biblically sound relationship with God is not based on fear but unconditional love and unequivocal acceptance through God's grace. Why then do bad things happen? Author Ivan Huff addresses this question from the perspective of one stricken with a chronic, degenerative disease. 'Books about pain don't have much impact if the author has never suffered. But Ivan Huff has experienced that pain, which led him to explore where God fits in. Cause or Effect is a guide for people who are struggling to understand God's goodness in the midst of the storm. If you're hurting and find yourself wondering where God is, Ivan will be your guide through the darkness.' Mike Bechtle, Speaker, Author of Confident Communication: How to Communicate Successfully in Any Situation
