David Larcker, Brian Tayan

Corporate Governance Matters: A Closer Look at Organizational Choices and Their Consequences (2nd Edition) David Larcker, Brian Tayan

This is the most comprehensive and up-to-date reference for implementing and sustaining superior corporate governance. Stanford corporate governance experts David Larcker and Bryan Tayan carefully synthesize current academic and professional research, summarizing what is known and unknown, and where the evidence remains inconclusive.

Corporate Governance Matters, Second Edition reviews the field's newest research on issues including compensation, CEO labor markets, board structure, succession, risk, international governance, reporting, audit, institutional and activist investors, governance ratings, and much more. Larcker and Tayan offer models and frameworks demonstrating how the components of governance fit together, with updated examples and scenarios illustrating key points. Throughout, their balanced approach is focused strictly on two goals: to "get the story straight," and to provide useful tools for making better, more informed decisions.

This edition presents new or expanded coverage of key issues ranging from risk management and shareholder activism to alternative corporate governance structures. It also adds new examples, scenarios, and classroom elements, making this text **even more useful in academic settings. *For all directors, business leaders, public policymakers, investors, stakeholders, and MBA faculty and students concerned with effective corporate governance.***
