Dispensational Truth, or God's Plan and Purpose in the Ages Clarence Larkin

The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures." Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: • Pre-Millennialism • the Second Coming of Christ • the present evil world • the Satanic trinity • the world's seven great crises • prophetic chronology • the threefold nature of man • the Book of Revelation • five fingers pointing to Christ • the False Prophet • and much more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.
