A Companion to Greek Mythology

A Companion to Greek Mythology

A Companion to Greek Mythology presents a series of essays that explore the phenomenon of Greek myth from its origins in shared Indo-European story patterns and the Greeks' contacts with their Eastern Mediterranean neighbours through its development as a shared language and thought-system for the Greco-Roman world.

- Features essays from a prestigious international team of literary experts
- Includes coverage of Greek myth's intersection with history, philosophy and religion
- Introduces readers to topics in mythology that are often inaccessible to non-specialists
- Addresses the Hellenistic and Roman periods as well as Archaic and Classical Greece
