**For a Continuing Church: The Roots of the Presbyterian Church in America** Sean Michael Lucas

The Presbyterian Church in America (PCA) is the largest conservative, evangelical Presbyterian denomination in North America. *For a Continuing Church* is the first full scholarly account of the theological and social forces that brought about its creation.

In the 1920s and 1930s, emerging progressive leadership in the Presbyterian Church in the United States (PCUS) led to rising dissent from conservatives. This fascinating story of conviction and struggle resonates today more than ever.
