**Gargantua and Pantagruel** François Rabelais

**Biting and bawdy, smart and smutty, lofty and low, *Gargantua and Pantagruel* is fantasy on the grandest of scales, told with an unquenchable thirst for all of human experience.**

Rabelais's vigorous examination of the life of his times—from bizarre battles to great drinking bouts, from satire on religion and education to matter-of-fact descriptions of bodily functions and desires—is one of the great comic masterpieces of literature.
