**Historia, Fe y Practicas Menonitas: Un enfoque paraguayo (Spanish Edition)** Gerhard Ratzlaff

Esta es una obra que llega al público hispano parlante, en un momento oportuno. Es un material muy bueno para todo aquel que desea tener conocimiento de fuente fidedigna y seria sobre los menonitas en el mundo y el Paraguay. Por sus características puede servir tanto para seminarios como para las iglesias. El profesor Ratzlaff, autor del libro, es un avezado investigador y profundo conocedor de la historia menonita. En esta ocasión pone en nuestras manos una obra producto de sus largos años de investigación y enseñanza. Estoy seguro que el lector, sea estudiante, profesor o simplemente aquel amante de la lectura quedará plenamente satisfecho con la obra. Juan Silverio Verón (pastor y consejero de Radio Obedira) Si un versículo puede sintetizar la historia menonita y su presente es Efesios 2:8 -10 "... por gracia sois salvos...creados en Cristo Jesús para buenas obras ...". Los menonitas han comprendido que la gracia de Dios es el punto de partida para una nueva vida espiritual que refleja un nuevo estilo de vida caracterizado por el servicio al prójimo y a la sociedad. El libro provee numerosos ejemplos de la forma en que los menonitas cristianos se han convertido en sal y luz. Flavio y Martha Florentin (Flavio es profesor y decano académico del IBA)
