I Wish You Were Mine: An Oxford Novel Lauren Layne

Perfect for fans of Alice Clayton and Emma Chase, Lauren Layne's Oxford series heats up in this story of forbidden desire as a brooding jock hoping for a comeback falls for a woman who's strictly off-limits.

A year ago, Jackson Burke was married to the love of his life and playing quarterback for the Texas Redhawks. Now he's retired, courtesy of the car accident that ruined his career—and single, after a nasty scandal torpedoed his marriage. Just as he's starting to get used to his new life as a health and fitness columnist for *Oxford* magazine, his unpredictable ex shows up on his doorstep in Manhattan. Jackson should be thrilled. But he can't stop thinking about the one person who's always been there for him, the one girl he could never have: her younger sister.

Mollie Carrington can't say no to Madison. After all, her older sister practically raised her. So when Madison begs for help in winning her ex-husband back, Mollie's just glad she got over her own crush on Jackson ages ago—or so she thought. Because as Mollie reconnects with Jackson, she quickly forgets all her reasons to stay loyal to her sister. Tempted by Jackson's mellow drawl and cowboy good looks, Mollie is sick and tired of coming in second place. But she can't win if she doesn't play the game.
