Life of Mary Stuart Queen of Scots Alphonse de Lamartine

No apology is needed for offering to the public a new biographical sketch of Mary Queen of Scots. To Scottish or English, or even to French students of history, the subject is one of romantic and surpassing interest, over which, as indeed over all else, genius can ever shed a new and unfading light. It may be remarked that the present is the only work of M. de Lamartine which has appeared solely in an English form, having been expressly translated from the original unpublished MS.
