Why Black Men Love White Women: Going Beyond Sexual Politics to the Heart of the Matter Rajen Persaud

THE IRREVERENT, EYE-OPENING, AND HILARIOUS BOOK THAT DARES TO ASK... Why do so many high-profile black men date and marry the most ordinary white women? Why do so many other black men desire and covet the company of white women? And why does this subject deeply touch so many people of both races? Are these provocative questions matters of love, sex, revenge, power, or politics? All of the above, asserts Rajen Persaud in this illuminating, no-holds-barred book that will have you laughing with recognition while fundamentally changing the way you see just about everything - from sex and marriage to your own gender and race in all its foibles, pretensions, and ultimate possibilities. Challenging every one of our preconceptions about mixed-race relationships, Rajen Persaud's commentary lights up a topic that has only deepened in intensity and relevance in the decades since Sidney Poitier asked the world "Guess who's coming to dinner?" The answers, so deeply ingrained in our fabric as a nation and even grounded in our past, force us to look at ourselves and our culture with new eyes while pondering matters of CELEBRITY: From Michael Jordan to Bryant Gumbel to Tiger Woods, high-profile affairs and marriages with no shortage of controversy. SEX: Are black men choosing white women - or rejecting black women? RACE: How white male insecurity is the key to understanding racism. RELATIONSHIPS: Is it more than love that brings the races together? POLITICS: How fear is used to gain power, from sexual politics to global war. MEDIA: How movies and television keep black men running to white women. ...and much more. Get ready for Why Black Men Love White Women - and finally understand the relationship phenomenon of our times.
