Legal Research & Writing

David J. Smith

Legal Research & Writing David J. Smith

A book dealing with the fundamentals of legal writing and research. Each chapter focuses only on the essential skills needed for success in the paralegal field. Topics include primary law, secondary sources, computers and other technology, citation, legal analysis and more. The text first describes the tools needed to conduct legal research, then shows how they're applied. Review charts, concrete examples, paralegal practice situations, tips from practicing paralegals, and chapter review questions and problems are included.
