A former Marine is no match for the spunky Sam Sinclair. Bryce Stone has returned to his hometown of North Pole, Alaska and he's not very happy about it. "The Town Where It's Christmas All Year Long" does not appeal to the self-admitted scrooge. What's worse, Bryce must postpone his dream of opening a furniture shop when his Aunt Olive retires and leaves him to manage the family's cluttered Christmas boutique. Bryce hires a petite and inexperienced young woman to run the store, figuring that if she fails, he can sell the place! But Bryce underestimates Sam, who grew up with seven rowdy brothers and is out to prove her mettle in the frozen north. It's a battle of wills and the two soon find that they're fighting for more than just the shop. After all, love takes as many forms as the snowflakes that blanket the streets of North Pole.
