Dance Upon the Air

When Nell Channing arrives on charming Three Sisters Island, she believes that she's finally found refuge from her abusive husband.... But even in this quiet, peaceful place, Nell never feels entirely at ease. Just as Nell starts to wonder if she'll ever be able to break free of her fear, she realizes that the island suffers from a terrible curse—one that can only be broken by the descendants of the Three Sisters, the witches who settled the island back in 1692.

Heaven and Earth

Ripley Todd just wants to live a quiet, peaceful kind of life. Her job as a sheriff's deputy keeps her busy and happy. She's perfectly content, except for one thing: she has special powers that both frighten and confuse her—and though she tries hard to hide them, she can't get them under control.... Distraction soon arrives in the handsome form of MacAllister Boone—a researcher who's come to investigate the rumors of witchcraft that haunt Three Sisters Island.

Face the Fire

Mia Devlin knows what it is like to love with your whole heart—and then watch your love walk away. Years ago, she and Sam Logan shared an incredible bond built on passion, legend, and fate. But then one day he fled Three Sisters Island, leaving her lost in memories of the magic they shared—and determined to live without love. The new owner of the island's only hotel, Sam has returned to Three Sisters with hopes of winning back Mia's affections. She'll need his help—and his powers—to face her greatest, most terrifying challenge.
