*Jean-Jacques Rousseau, Russell Goulbourne*

**Reveries of the Solitary Walker (Oxford World's Classics)** Jean-Jacques Rousseau, Russell Goulbourne  
Rousseau's last great work, *Reveries of the Solitary Walker* is part reminiscence, part meditation, as the philosopher tries to come to terms with his isolation and to find happiness in solitude and nature. The *Reveries* are an important complement to Rousseau's other philosophical and autobiographical works and address many of the same issues, making it a useful introduction for anyone interested in reading Rousseau for the first time. Russell Goulbourne offers a fresh new translation that marries accuracy with readability. In addition, his Introduction discusses the nature of the work and places it in its historical, literary, and intellectual contexts. It considers the *Reveries* alongside Rousseau's other autobiographical work, notably the *Confessions*, and the form and style of the text in the context of the history of lyrical prose narratives, the rise of Romanticism, and works about walking. Finally, the book features detailed explanatory notes that enable readers to appreciate to the full Rousseau's ideas, ranging from biographical details to literary allusions, philosophical contexts, and the routes around Paris where Rousseau walked.
