This edition is comes with active table of contents, footnotes and more then more then 15 images.

The Key of Solomon (in Latin Clavis Salomonis or Clavicula Salomonis, Hebrew Mafteah Shelomoh (???? ????)), is a grimoire, or book on magic incorrectly attributed to King Solomon. It probably dates back to the 14th or 15th century Italian Renaissance. It presents a typical example of Renaissance magic.

It is possible that the Key of Solomon inspired later works, particularly the 17th century grimoire also known as Clavicula Salomonis or The Lesser Key of Solomon, although there are many differences between the books.

About Author:

Samuel Liddell (or Liddel) MacGregor Mathers (8 or 11 January 1854 – 5 or 20 November 1918), born Samuel Liddell Mathers, was one of the most influential figures in modern Occultism. He is primarily known as one of the founders of the Hermetic Order of the Golden Dawn, a ceremonial magic order of which offshoots still exist today.
