Big Little Lies Liane Moriarty

**The new novel from the author of *The Husband's Secret*
A #1 *New York Times* Bestseller**

Sometimes it's the little lies that turn out to be the most lethal.

A murder...A tragic accident...Or just parents behaving badly? What's indisputable is that someone is dead.

Madeline is a force to be reckoned with. She's funny, biting, and passionate; she remembers everything and forgives no one. Celeste is the kind of beautiful woman who makes the world stop and stare but she is paying a price for the illusion of perfection. New to town, single mom Jane is so young that another mother mistakes her for a nanny. She comes with a mysterious past and a sadness beyond her years. These three women are at different crossroads, but they will all wind up in the same shocking place.

Big Little Lies is a brilliant take on ex-husbands and second wives, mothers and daughters, schoolyard scandal, and the dangerous little lies we tell ourselves just to survive.
