Since being formed as a shadow peacekeeping organization, Section 9 has faced almost countless adversaries both in the real world and in cyberspace, but none like "The Awakened," a group of terrorists who seem to have the ability to take over the minds and bodies of almost anyone and use them to commit crimes against the state, leaving their pawns unaware of who was controlling them. When Major Motoko Kusanagi is able to capture one of the boys used as a pawn she hacks into his cyberbrain to find out who the ringleader is, but what she discovers will take her and the operatives of Section 9 on a journey deep into the heart of cyberspace, and the answers she finds will shake Section 9 to its core.
