Hot Cougar Sex: Steamy Encounters with Younger Men Ilona Paris

These are confessions, and Ilona Paris—and her cougar pals—have plenty to confess. And they're proud of it. A "cougar" is a woman in her forties (or so), who indulges in the pleasures of younger men in a quest for terrific sex without the hassles of a relationship. These women have been there, done that. In *Hot Cougar Sex*, their wild, sexy encounters are described with a brazen voice that seduces but never apologizes. Men appreciate a woman with some experience, a situation that makes a woman more confident, in bed and beyond. Salacious and sassy, Ilona Paris writes with a fearless confidence about her flings with men who are young enough to . . . keep pace with an adventurous older woman.

Hot Cougar Sex combines a unique voice with gripping, explicit scenes. Astute readers will also pick up a tip or two on technique. Packed with anecdotes, *Hot Cougar Sex* is a book to get readers in the mood. It's a book that women will buy for themselves and for their friends.
