Red Prophet: The Tales Of Alvin Maker Volume 1 Premiere HC

Things are not always what they seem in an alternate American history where folk magic actually works, and there is certainly more than meets the eye to Lolla-Wossiky, a perpetually drunk Shaw-Nee who cannot seem to shake his addiction to whiskey. But as Lolla-Wossiky ventures north in search of his dream beast, he also is on a quest to cure the ceaseless presence of the "black noise" - a shroud of darkness inside his head created by the violent death of his father that he can only push back when he is drinking. But along the voyage, an experience in Wobbish territory will change Lolla-Wossiky's life forever, and change him from a drunken Red Man into the wise and powerful Red Prophet. Also includes a special Ender's story.
