#### **Helen Butts:**

As a student, I exactly feel bored in order to read. If their teacher requested them to go to the library as well as to make a summary for some reserve, they are complained. Just minor students that have a reading's heart or real their passion. They just do what the professor wants, like asked to the library. They go to there but nothing reading really. Any student feels that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. A book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise, word says, many ways to reach China's country. Therefore this *Darth Plagueis: Star Wars* by Luceno, James Reprint edition (2012) can

make you feel more interested to read.
