**Maps, Artifacts, and Other Arcane Magic (Dowser) (Volume 5)** Meghan Ciana Doidge

One treasure down, two to go ... Three months ago, I nearly lost my best friend while retrieving the first instrument of assassination. I also inadvertently released a rival who was definitely unhinged, way more powerful than me, and obsessed with harnessing the deadly power of the artifacts I'd been tasked by the guardian dragons to collect. Add a sexy sentinel and a nearly immortal vampire to the mix, and what could possibly go wrong? Knowing my luck, I was about to find out. ----- This 74k words urban fantasy by Meghan Ciana Doidge is the fifth book in the Dowser series. **WARNING: ADULT 18+ CONTENT**
