This book is based upon correspondence with Dr. John H. Watson on a very special missing person case that he and Sherlock Holmes investigated. Dr. Henry Marco disappeared, according to his wife, after he supposedly build a time machine to travel into the past to change it for the better. Both Dr. Marco and Holmes and Watson change not only the past and the future, but many pasts and many futures as they follow the time trail of the mad doctor. Extensive annotations have been added by Baker Street Irregular Michael Joseph Halm, coordinator of American Mensa's scion, the Holmesian Studies Special Interest Group.

Bryant Davidson:

As a college student exactly feel bored for you to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Sherlock Holmes and the Mad Doctor can make you feel more interested to read.
