The Big Book of Pussy 3D

The Big Book of Pussy 3D

The origin of the world: The cat's out of the bag—in 3 luscious dimensions

First, *The Big Book of Breasts*, then *The Big Penis Book*, *The Big Book of Legs*, and the weighty *Big Butt Book*. What could follow but *The Big Book of Pussy*, an **in-depth exploration of the female pudendum**, that coveted orifice man spends nine months trying to escape, and a lifetime attempting to reenter? And what could follow that but ***The Big Book of Pussy 3-D?***

In 220 pages, featuring 110 black and white photos converted to sublime 3-D by the nerdy little genius Jon Schnitzer and his crew at **The Brain Factory**, *The Big Book of Pussy 3-D* doesn't just contain the same photos from the original volume, but also **many never-before-seen photos unique to this edition**. And as with the other-body parts 3-D editions, the effects are subtle on the page, but intensely dimensional when you slip on your **red and blue anaglyph glasses included with this volume**.

Fans of the untrimmed wild-caught pussy, take note that hair provides one of the best subjects for 3-D viewing, demanding meticulous hand conversion by the 3-D artist with a full and fluffy viewing pay-off.

Text in English, French, and German
