This book is divided into four sections:

- Read the **Long O Word without the Picture!** - next, have your child sound out the word without the picture to make sure the child is really reading the new word
- Read the **Long O Word In a Sentence** - Try the new word in a sentence. All the other words in the sentence are all sight words!
- Read the **Long O Word In a Sentence Without the Picture** - And last, let your child sound out the word without any context clues. This section shows ONLY the sentence!

Some features of this book include:

- 20 complete sentences!
- Varied sentence types including Declarative Sentences, Imperative Sentences, Exclamatory Sentences & Interrogative Sentences

- Text size is adjustable and can be changed on any eBook reader!

So what are sight words?: Many of the most frequently used words in English are difficult to sound out and instead, need to be recognized on “sight” for a child to become a proficient reader. Sight words can be known by other names as well including High-frequency words, Dolch words (named after Edward William Dolch, PhD who first compiled the list in 1936), Fry words (named after Dr. Edward B. Fry's who updated the list in 1996), Instant words, Star words and more!
