Sceptical History: Feminist and Postmodern Approaches in Practice Hélène Bowen Raddeker

A highly original work in history and theory, this survey considers major themes including identity, class and sexual difference, and weaves them into debates on the nature and point of history. *Sceptical History* arrives at new ways of doing history that consider non-Western history and feminist approaches. Using a wide range of historical and cultural contexts, the study draws extensively on feminist scholarship, both feminist history and postcolonial feminism.
