White Lies Zoe Markham

‘A wonderful edge of your seat thriller that will have you guessing all the way to the end.’ – Carrie on Goodreads

A haunting YA thriller you won't be able to put down, *White Lies* is a boarding school story – with a **shockingly dark twist**.

Everybody hurts

For Abigail, a new school could be the fresh start she so desperately needs. With her parents in the army and her sister Beth too far away to run to, she knows this year needs to be different. She's never been part of the cool crowd and for the first time Abby wants to fit in. And all it takes is just one little white lie...because some truths are too painful to share.

Everybody lies

But at Cotswold Community College, Abby isn't the only one with a past she'd rather forget. And when she stumbles across a closely-guarded secret, Abigail realises that her one little white lie could reveal everything she's worked so hard to hide...

What readers are saying about *White Lies*

‘I LOVED this one... there is a dark edge to the narrative, a scary feel to some of the events and just that **little *something* that touches you on an emotional level when reading that grips you utterly...** Add in some truly spooky and dark dealings, a touch of inspiration and a **killer twist that I never once saw coming** and you have **an imaginative, clever and intelligent thriller** that just happens to be in the Young Adult market. Pish to that, its better than any one of 150 girl books you might read this year or did last...’ – Liz Loves Books

‘The book was a easy and fast read that was layered with suspense making it captivating and gripping that I had to finish it and know what was happening. I thought I had it all figured out... but after reaching the end, I realized how wrong I was. **It is an eerie mystery slash slightly horror story that plays with your mind and imagination.**’ – Joy on Goodreads

‘I couldn't put it down and it was short enough for me to whizz through... I still couldn't believe the unbelievable dark twist that this book took. It was **so gripping and surreal** that I'm still captivated by it! **I loved the writing style** of this author and it's made me incredibly eager to read more books by Ms. Markham.’ – Connie on Goodreads

‘This is a mystery story with some hints of horror that really plays with your mind, especially when you think you've got it all figured out. **It sets you on edge and makes you really question what is going on** – if you're a fan of the Red Eye series or just general horror/thriller books then this one's for you!’ – Maia and a Little Moore

‘This wasn't at all what I was expecting, but I was **pleasantly surprised**. The first thing to catch my attention was Zoe's writing style. **Every word seemed to flow with the next making me want to keep reading**. Zoe does an incredible job of bringing the character's alive.’ – Rosalie Reyes's review on Goodreads

From reader reviews:

Mildred Duncan:

In this 21st millennium, people become competitive in each and every way. By being competitive today, people have to do something to make themselves survive, being in the middle of often the crowded place and notice by surrounding. One thing that occasionally many people have underestimated this for a while is reading. Yep, by reading a book your ability to survive increases then having a chance to stand out, that is high. In your case, who wants to start reading any book, we give you this White Lies book as a beginner and daily reading guide. Why, because this book is greater than just a book.

Anthony Doucet:

As we know that a book is a very important thing to add our know-how for everything. By a guide we can know everything we want. A book is a group of written, printed, illustrated or maybe blank sheets. Every year has been exactly added. This publication White Lies was filled about science. Spend your free time to add your knowledge about your science competence. Some people have diverse feelings when they read some sort of book. If you know how big the benefit of a book is, you can feel joy to read a reserve. In the modern era like today, many ways to get the book you wanted.

Carlos Terrill:

As a college student, I exactly feel bored to be able to read. If their teacher asked them to go to the library or to make a summary for some publication, they are complained. Just minor students that have reading's heart or real their interest. They just do what the teacher wants, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise, word says, many ways to reach Chinese's country. Therefore this White Lies can make you experience more interested to read.

Marisa Carney:

What is your hobby? Have you heard which question when you got college students? We believe that that concern was given by teacher with their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person such as reading or as examining become their hobby. You need to know that reading is very important and book as to be the matter. Book is important thing to add your knowledge, except your own personal teacher or lecturer. You will find good news or update about something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them are these claims White Lies.
