Book of Mormon

The Church of Jesus Christ of Latter-day Saints

Book of Mormon The Church of Jesus Christ of Latter-day Saints
The Book of Mormon is a volume of holy scripture comparable to the Bible. It is a record of God's dealings with the ancient inhabitants of the Americas and contains the fulness of the everlasting gospel. The Prophet Joseph Smith translated this record by the gift and power of God and first published it in March of 1830 as the Book of Mormon. It is now published in many languages as a new and additional witness that Jesus Christ is the Son of the living God and that all who will come unto him and obey the laws and ordinances of his gospel may be saved. The 2013 edition of the Book of Mormon includes clarifications and adjustments to the introduction, footnotes, and chapter headings; however, these adjustments have not been so extensive as to require members to purchase the new edition to stay current with either the Church curriculum or personal study.

From reader reviews:

Linda Yohe:

As people who live in often the modest era should be up-date about what going on or data even knowledge to make these keep up with the era and that is always change and progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice in your case but the problems coming to you actually is you don't know what one you should start with. This Book of Mormon is our recommendation to help you keep up with the world. Why, because this book serves what you want and need in this era.

Shirley Dildy:

Often the book Book of Mormon will bring you to definitely the new experience of reading some sort of book. The author style to describe the idea is very unique. In the event you try to find new book you just read, this book very appropriate to you. The book Book of Mormon is much recommended to you to see. You can also get the e-book from official web site, so you can quickly to read the book.

Nancy Martindale:

Are you kind of hectic person, only have 10 or maybe 15 minute in your morning to upgrading your mind proficiency or thinking skill also analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your short period of time to read it because pretty much everything time you only find e-book that need more time to be read. Book of Mormon can be your answer since it can be read by you actually who have those short spare time problems.

Martin Williams:

A number of people said that they feel bored stiff when they reading a guide. They are directly felt this when they get a half elements of the book. You can choose the particular book Book of Mormon to make your current reading is interesting. Your current skill of reading skill is developing when you like reading. Try to choose basic book to make you enjoy to see it and mingle the impression about book and reading through especially. It is to be 1st opinion for you to like to wide open a book and study it. Beside that the guide Book of Mormon can to be your friend when you're truly feel alone and confuse in what must you're doing of the time.
