Dog Mountain is just like any other small town — peaceful and uneventful. Well, that is if peaceful means wolves howling all night, and uneventful means it's overrun by pesky werewolves, then yes, Dog Mountain is just your average small town.

Jade Shaw has spent the last two years avoiding the pack. But when Aidan Collins moves to town, avoiding the dogs doesn't seem possible. The pack wants him just as much as she does.

Determined to keep him out of the pack's grasp, Jade does everything she can to gain his attention. Little does she know, Aidan is in deeper with the pack than she could have imagined, and competing for his attention is a deadly game, one she may not want to win.
