Flat Stanley His Original Adventure / Stanley and the Magic Lamp / Invisible Stanley / Stanley in Space / Stanley, Flat Again - 5 Book Set (Flat Stanley) Jeff Brown

ORIGINAL ADVENTURE: When Stanley Lambchop wakes up one morning, his brother, Arthur, is yelling. A bulletin board fell on Stanley during the night, and now he is only half an inch thick! Amazing things begin happening to him. Stanley gets rolled up, mailed, and flown like a kite. He even gets to help catch two dangerous art thieves. He may be flat, but he's a hero! **THE MAGIC LAMP:** Stanley Lambchop has found a real magic lamp with a genie inside! The genie tells Stanley he can wish for anything in the world: fame, a magical pet, superpowers -- you name it. When Stanley's family finds out about the genie, they have some wishes, too. But the more wishes Stanley makes, the stranger his own life becomes. Oh, poor Stanley! **INVISIBLE STANLEY:** One morning, after a terrible storm, Stanley Lambchop is nowhere to be found. His family can hear him, and there is a lump under his covers, but no one can find him! Just where is that boy? Then they discover the truth -- Stanley is invisible! At first, Stanley is very busy. There's so much for an invisible boy to do. But will he stay that way forever? **STANLEY IN SPACE:** The President of the United States has chosen Stanley Lambchop and his family to become the first humans to fly in the Star Scout, a new top-secret spaceship. Stanley's most exciting adventure is about to begin. He'll meet the Queen of England, have a birthday party in outer space, and save a whole planet of aliens from danger. Oh, that Stanley! **FLAT AGAIN:** Stanley Lambchop has had his share of unusual adventures. But being flat was one thing he thought he was through with forever. Then one morning, he discovers he was wrong. Still, there is so much that a boy who is only one inch thick can do that a round person can't. Maybe this time, all it will take is one amazing event for everything to finally make sense.
