Living Faith: How Faith Inspires Social Justice Curtiss Paul DeYoung

What impels a Mohandas Gandhi or a Martin Luther King, Jr.? How does religious experience animate a lifetime of dedication and drive for social justice? In this instructive and inspiring account, Christian ethicist Curtiss DeYoung profiles three of the most dynamic and influential religious activists of the twentieth century: Dietrich Bonhoeffer, Malcolm X, and Aung San Suu Kyi - each from a different generation, a different faith community, and a different continent. His portraits show how their mystic faith drove them to justice commitments and beyond customary boundaries between people from other traditions, countries, and ways of life. Living Faith is more than a set of inspiring portraits. It also powerfully analyzes how these figures - along with such other luminaries as Rigoberta Menchú, Nelson Mandela, Winona LaDuke, Fannie Lou Hamer, Elie Wiesel, Thich Nhat Hanh, and the Dalai Lama - shared a fiery core experience and common characteristics that empowered their lives and work.
