**Maunder Minimum: And the Variable Sun-Earth Connection** Willie Wei-Hock Soon, Steven H. Yaskell  
An excursion through solar science, science history, and geoclimate with a husband and wife team who revealed some of our sun's most stubborn secrets. E. Walter and Annie S.D. Maunder's work helped in understanding our sun's chemical, electromagnetic and plasma properties. They knew the sun's sunspot migration patterns and its variable, climate-affecting, inactive and active states in short and long time frames. An inactive solar period starting in the mid-17th century lasted approximately 70 years, one that E. Walter Maunder worked hard to make us understand: the Maunder Minimum of c. 1620-1720 (which was posthumously named for him). With ongoing concern over global warming, and the continuing failure to identify root causes driving earth's climatic changes, the Maunders' story outlines how our cyclical sun can alter climate. The work goes on to view the sun-Earth connection in terms of geomagnetic variation and climatic change; contemporary views on the sun's operating mechanisms are explored, and the effects these have on the earth over long and short time scales are pondered. If not a call to widen Earth's climate research to include the sun, this text strives to illustrate how solar causes and effects can influence Earth's climate in ways we must understand in order to enhance solar system research and our well-being.

### **From reader reviews:**

#### **Pauline Jefferson:**

The experience that you get from Maunder Minimum: And the Variable Sun-Earth Connection could be the more deep you rooting the information that hide inside the words the more you get enthusiastic about reading it. It doesn't mean that this book is hard to comprehend but Maunder Minimum: And the Variable Sun-Earth Connection giving you excitement feeling of reading. The copy writer conveys their point in specific way that can be understood by simply anyone who read it because the author of this guide is well-known enough. This book also makes your own vocabulary increase well. Making it easy to understand then can go with you, both in printed or e-book style are available. We highly recommend you for having this kind of Maunder Minimum: And the Variable Sun-Earth Connection instantly.

#### **Jill Vaughn:**

Information is provisions for those to get better life, information today can get by anyone at everywhere. The information can be a understanding or any news even a concern. What people must be consider any time those information which is inside the former life are difficult to be find than now could be taking seriously which one is appropriate to believe or which one the resource are convinced. If you receive the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Maunder Minimum: And the Variable Sun-Earth Connection as your daily resource information.

#### **Sergio Kelley:**

Many people spending their time period by playing outside with friends, fun activity using family or just watching TV the whole day. You can have new activity to invest your whole day by looking at a book. Ugh, think reading a book can definitely hard because you have to bring the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Mobile phone. Like Maunder Minimum: And the Variable Sun-Earth Connection which is having the e-book version. So , why not try out this book? Let's find.

#### **Teresa Burns:**

A lot of people said that they feel weary when they reading a reserve. They are directly felt it when they get a half portions of the book. You can choose the book Maunder Minimum: And the Variable Sun-Earth Connection to make your reading is interesting. Your own skill of reading ability is developing when you similar to reading. Try to choose easy book to make you enjoy to see it and mingle the sensation about book and reading especially. It is to be very first opinion for you to like to open a book and read it. Beside that the reserve Maunder Minimum: And the Variable Sun-Earth Connection can to be your brand new friend when you're experience alone and confuse with the information must you're doing of the time.
