In seeking to attain this, travelers will have to focus not only on the destinations that they desire to visit within the city of Rio de Janeiro alone, but will also have to focus and concentrate on methods that can assist them in controlling their cash out-flow while in the city. Even though the inflation rate has climbed tremendously over the years, it is still possible to visit the city and have a memorable time without breaking your piggy bank! In fact, this book, and the series of books that will follow will provide a wealth of examples of how travelers can spend much more time in the city of Rio de Janeiro than they previously imagined...and at a LOW COST!!
