Brought to the edge of ruin by an addiction to luxury, Patricia turns to Hugo for a rescue and finds herself his slave for a month. A scriptwriter discovers a rare prize in a Hollywood B&D club but must outwit her to win her. Marguerite Alexander acquires a rich, handsome, dominant young husband. The new manager of Marguerite's bookshop trains his new female assistant to be a good employee and a better submissive. After reading her secret diaries, Marguerite's conservative new husband expresses disapproval of her former lifestyle. While Malcolm is away, Marguerite plays; when he returns there's hell to pay. A stylish young businesswoman puts an ad man through hell, B&D style, to push his buttons. The stories are interconnected and share a common theme: bad girls get spanked!

About the Author:

In Random Point, everything is linked to spanking and this is true for the author of the Shadow Lane novels as well. Eve Howard has been writing and producing spanking erotica since the 1980's. Eve has written, directed and produced over 140 spanking videos. Female-friendly and designed to make people feel good, rather than guilty, about being into spanking, Eve suggests an irreverent alternative to the all or nothing B&D subculture portrayed in such beloved classics as *The Story of O*. Many spanking fans have discovered the real life spanking scene by following the same patterns of social networking as described in the Shadow Lane novels. And for almost twenty years, Eve's company Shadow Lane has been one of the primary social organs of the real life spanking scene. There are nine titles in the Shadow Lane series and Eve is currently working on Volume 10. She lives with her husband Tony Elka and their three cats in Las Vegas.
