### The Best of T.D. Jakes – Life Lessons, Inspiration and Best Quotes

T. D. Jakes has been credited as “America’s Next Billy Graham” and it’s not hard to see why. From his simple beginnings to million dollar ministry establishment, he has taken the church in America by storm. While you might recognize his face from his many best-selling books, you may be somewhat less familiar with how he grew to be so famous, and what exactly he is teaching.

Well, this book covers a brief overview of his life as well as looking at some of his teachings in his own words, the role his wife Serita plays in the ministry, some of the public controversies he’s been involved in with recent years, and the legacy he leaves behind to the next generation of young African American men and women looking to improve their lives.
