A new adventure is about to begin. Our heroes will embark in a quest to recover The Eye that Sees it All, a powerful scrying magic artifact. To achieve their goals they will need to travel from the Bor to Darphem, the kingdom of Dwarves. In their trip, they will fight many battles, make new friends and foes and visit other fantastic places like Ellis, the country of elves.

Following the successful formula already used in The Orb of Wrath this sequel combines multiple elements: first and foremost, epic fantasy adventure; but also political plots, interviewed stories, a touch of humor, a pinch of drama and even a love story.

Follow Erion and his friends and explore more of the vast World of Oris.
