Summer in Montana brings heat with a chance of romance in the new Medicine River Romance from the award-winning author of *Montana Actually*

Sexy and charming Australian doctor Will Bartlett will do anything to help out a friend, even if it means moving to Bear Paw for the summer. Some small-town hospitality, and the uncomplicated friendship of his co-worker, Millie, is just the ticket to shake off the restlessness that's been gripping him lately.

Millie Switkowski, RN and medical student, is home for her clinical rotation, and she's determined to make this summer so much better than last. She's got a year of medical school under her belt, her diabetes is under control and she's kicked her crazy crush for Will Bartlett, who only ever treated her as "one of the guys."

But when Will turns out to be Millie's supervising physician, without warning the summer gets a whole lot hotter than either of them anticipated. With both of them holding onto thorny secrets, can they walk away with their hearts intact?
