## **I Think, Therefore I Am: All the Philosophy You Need to Know** Lesley Levene

Philosophers certainly like to make life sound awfully complicated, whether they're wondering if a falling tree still makes a sound if there's nobody around to hear it (Berkeley) or declaring that everything in the universe is in a state of flux (Heraclitus). But is philosophy really so complicated? And is it really as irrelevant as it sometimes seems? *I Think, Therefore I Am* is the ideal way to take the fear out of philosophy. Written in an accessible and highly entertaining style, *I Think, Therefore I Am* explains how and why philosophy began, and how, from Greek democracy to Communism, the ways in which we live, learn, argue, vote and even spend our money have their origins in philosophical thought. Beautifully packaged, this is a perfect gift.
