Isaiah 1-33: Revised (Word Biblical Commentary) John D. W. Watts

The Word Biblical Commentary series provides an exceptional resource for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Dr. Watts has revisited this work he produced almost twenty years ago, with a view to updating it in light of current scholarship. He continues to hold to the unity of Isaiah, rather than ascribing it to two or three composers or schools.
