- Diagnostic and Differential Diagnosis Boxes aid in test selection and diagnosis.
- Includes easy-to-find special icons for Emergency and Physician Referral Boxes to indicate conditions that require immediate referral to a specialist or emergency room.
- Health Promotion Content in many sections highlight the importance of health teaching and health promotion in the care of patients.
- Management sections incorporate evidence-based recommendations including specialty organization guideline recommendations and current, ongoing research findings.
- Collaborative format recognizes the importance of comprehensive, cost-effective collaborative patient care.
- Features a 10-page, 4-color plate section with high-quality photos of physical findings.
- Thoroughly covers cardiac conditions and office emergencies, areas not usually discussed in detail in other primary care texts.
- Includes a new introductory unit concerning the business and practical aspects of nurse practitioner practice.
- New Collaboration in Research chapter contains information regarding the clinical partnership or collaboration with academic colleagues.
- New Population-Based Care chapter addresses the fact that health care systems are beginning to become more community focused. The role of the health care provider is expanding to provide programs that focus on community needs.
- New Chronic Disease Management Teams chapter provides current research-based information regarding a team-oriented approach to care of the patient with chronic health issues.
- New Reimbursement chapter addresses the financial issues facing the NP in private practice.
- New Infectious Diseases unit addresses the most current health care issues in primary care, including mutating infections and emerging infectious diseases.

From reader reviews:

Sam Grimes:

The book Primary Care - Elsevier E-Book on VitalSource (Retail Access Card): A Collaborative Practice, 4e can give more knowledge and information about everything you want. Exactly why must we leave the best thing like a book Primary Care - Elsevier E-Book on VitalSource (Retail Access Card): A Collaborative Practice, 4e? Some of you have a different opinion about guide. But one aim that book can give many details for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or facts that you take for that, it is possible to give for each other; you may share all of these. Book Primary Care - Elsevier E-Book on VitalSource (Retail Access Card): A Collaborative Practice, 4e has simple shape but you know: it has great and massive function for you. You can look the enormous world by open up and read a reserve. So it is very wonderful.

Robert Landers:

In this 21st century, people become competitive in every single way. By being competitive currently, people have do something to make these people survives, being in the middle of the crowded place and notice by means of surrounding. One thing that at times many people have underestimated this for a while is reading. Yes, by reading a reserve your ability to survive increase then having chance to endure than other is high. For you who want to start reading a book, we give you this particular Primary Care - Elsevier E-Book on VitalSource (Retail Access Card): A Collaborative Practice, 4e book as nice and daily reading guide. Why, because this book is greater than just a book.

Kurt Rose:

Your reading sixth sense will not betray anyone, why because this Primary Care - Elsevier E-Book on VitalSource (Retail Access Card): A Collaborative Practice, 4e guide written by well-known writer who knows well how to make book that can be understand by anyone who read the book. Written within good manner for you, dripping every ideas and producing skill only for eliminate your own personal hunger then you still skepticism Primary Care - Elsevier E-Book on VitalSource (Retail Access Card): A Collaborative Practice, 4e as good book not only by the cover but also through the content. This is one reserve that can break don't judge book by its include, so do you still needing one more sixth sense to pick this specific!?! Oh come on your examining sixth sense already alerted you so why you have to listening to another sixth sense.

Maria Green:

Reading a book for being new life style in this yr; every people loves to examine a book. When you go through a book you can get a lots of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information in it. The information that you will get depend on what sorts of

book that you have read. In order to get information about your research, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this sort of us novel, comics, as well as soon. The Primary Care - Elsevier E-Book on VitalSource (Retail Access Card): A Collaborative Practice, 4e offer you a new experience in looking at a book.
