Portrait of a Woman in White: A Novel Susan Winkler

France, 1940. Nazi forces march towards Paris. Lili Rosenswig's wealthy and eccentric family is ensconced in their country chateau with their sumptuous collection of arts and antiques. The beloved Matisse portrait of Lili's mother has been brought from their Paris salon for safety. It is the day before young lovers Lili and Paul are to be married that they are forced to flee and their fortunes change irrevocably. Lili and her family escape but Paul must stay behind to defend his country. In their struggle to adapt to changing circumstances in an unpredictable world, all are pushed to reinvent themselves. When top Nazi Herman Goring loots their Matisse portrait, their story is intertwined with the fate of the painting. PORTRAIT OF A WOMAN IN WHITE is a moving family saga, an obsessive search for lost love and lost art and how far we will go to survive.
